ATTENDANCE POLICY

Aim

The aim of this policy is to provide an environment, which encourages all our children to attend school daily and punctually. This is vital if we are to work together to ensure they succeed in school and in their future lives.

The whole school community has a responsibility for promoting excellent attendance: parents, children and all school staff. We acknowledge the clear links between attendance and attainment and attendance and safeguarding children.

Parent's Responsibilities

The Education Act 1996 states that all children should attend school regularly and punctually. The Act states, "If a child of compulsory school age who is registered at a school fails to attend regularly at the school, his/her parent is guilty of an offence".

We ask parents to work with us to ensure good attendance by:

- Notifying school on the first day of absence by phone, please state your child's name, class and detailed reason for absence.
- On returning to school, please provide a written explanation.
- Providing medical information e.g. appointment letters/cards.
- Ensuring your child arrives on time every day.
- Wherever possible make medical/dental appointments outside school hours.
- Do not take holidays/absences in term time.
- Follow the attendance guidelines (see Annex A & B).

School's Responsibilities

All the staff at Carlton Colville will provide an ethos, which places a high value on daily attendance and good punctuality.

The school is responsible for ensuring that children have good attendance by:

- Ensuring that attendance registers are kept accurately, using all necessary register codes.
- Differentiating appropriately between authorised and unauthorised absence (a letter from a parent does not authorise an absence, only the school can decide if the reason justifies authorising the absence).
- Contacting parents when there is concern about a child's absence either by phone or letter.
- Phoning parents on first day of absence if a reason for absence has not been received.
- Consulting with the Education Welfare Service with concerns around pupil's attendance or possible missing child.
- Making a referral to the EWO service where necessary, adopting the Penalty Notice Protocol.
- Acknowledging good attendance of pupils or classes (e.g. central displays/assemblies/certificates).
- Giving Pupil Attendance Update at parent interviews and through newsletters.
- Issuing Pupil Registration Certificates termly and included in annual reports.
- Continuing to undertake half-termly attendance audits.

School Times

In the morning the children should arrive at school in time for the bell at **8.45 am** for Years 4, 5 and 6 and **9.00 am** for Reception to Year 3.

The registers are closed 15 minutes after the start of morning school. After the bell has gone the children must enter school through the main entrance as the children's doors will be closed. If a child arrives after the registers have closed, their name will be entered in the Late Register and will also be recorded as late in the class register. Afternoon school starts at **12.50 pm** for Years 4, 5 and 6, **1.00 pm** for Reception, **1.05pm** for Year 3 and **1.15 pm** for Year 1 and Year 2. Registers close 10 minutes after the start of afternoon school.

See Late Arrival Procedures (see Annex C).

Authorised Absences

The school may accept the following reasons for absence:

- Illness
- Emergency medical/dental appointment
- Day of religious observance
- Family bereavement

Unauthorised Absences

The school will not authorise absence in the following circumstances:

- Shopping trips
- Visiting relatives
- Birthdays
- Over-sleeping and not attending for the rest of the day

External Agencies

If difficulties with attendance arise, it is important that school and home work together to discover the cause and resolve the problem. In some cases it may be helpful for the circumstances or difficulties to be discussed with the schools partners, such as an Education Welfare Officer (EWO) or a Parent Support Adviser.

Children Missing Education (CME)

Staff are able to take appropriate action when a pupil is CME. Staff have an understanding of the school and LA responsibilities. All CME procedures are acted upon if necessary to safeguard children at all times.

The school will review this policy annually.

ATTENDANCE INFORMATION

As you will be aware from items on the TV and in the press, there is an increased focus on attendance in schools. There are two main reasons for this, the first being the safety of young people, the second the link between attendance and attainment.

As a result the LA has sent guidance to schools with particular reference to family holidays/absences during term-time. This is summarised below:-

- Research has demonstrated a high correlation between attendance and attainment.
- Suffolk LA does not support holidays/absences during term time other than in **most exceptional circumstances**.
- Parents do not have the right to take their children out of school for a family holiday.
- Any request to the school for a term time absence will be considered on its merits but the **general policy is not to authorise leave of absence for such family holidays**.
- Request for leave should be submitted to the school no less than 4 weeks prior to the start of the absence.
- Any absence taken without the permission of the school will be recorded as an unauthorised absence.

The following statistics make for sobering reading:-

- If a child attends school every day but takes a 10 day holiday, only 94.7% attendance will be achieved.
- A pupil with 95% attendance who also takes a 10 day holiday will only have been present for 89.7% of their schooling in that year. This is a level which is unacceptable and will impact on children's learning including attainment, SATs and all other assessments and examinations.

PENALTY NOTICE REFERRALS

Unauthorised absence of 6 sessions (3 school days) or more may result in a Penalty Notice referral to the Lead Attendance Officer.

There will be no warning letters issued for the above.

Finally, we hope that all parents whose children attend School will be mindful of their child's right to full-time education and will support our school in working towards excellent attendance.

ANNEX C

CARLTON COLVILLE PRIMARY SCHOOL LATE ARRIVAL PROCEDURES

The Governors of our school recognise the impact attendance has on children's learning. When a child arrives late to lessons it can be very distressing for them. It is parents responsibility to ensure their child/children arrive to school on time.

The following procedures have been agreed by the Governing Body to address late arrivals during school time.

BEGINNING OF DAY

Year 4, Year 5 & Year 6

Registers open at 8.45 am and are closed at 9 am in order for lessons to begin promptly.

Reception, Year 1, Year 2 & Year 3

Registers open at 9.00 am and are closed at 9.15 am in order for lessons to begin promptly.

Any parents arriving late with their child must report to the office to sign the late book and state a reason for lateness.

END OF DAY

Year 4, Year 5 & Year 6

School finishes at 3.00 pm.

Reception, Year 1, Year 2 & Year 3

School finishes at 3.15 pm.

If children are not collected on time they will wait in the Atrium (this area is not supervised).

Please ensure your child is collected promptly as this also can cause distress to young children.

PLEASE HELP US TO MAKE THE BEGINNING AND END OF THE SCHOOL DAY A STRESS-FREE AND SMOOTH EXPERIENCE FOR YOUR CHILDREN.

Thank you for your understanding.
