## Carlton Colville Primary School

### **Introduction**

Our school Equalities Policy amalgamates all the equalities legislation into one single equality policy.

This policy has been devised with reference to the Code of Practice prepared by the Equal Opportunities Commission, Suffolk Guidance for Equal Opportunities in Employment, Race Relations Act 1976 and as amended by the Race Relations (Amendment) Act 2000, The Equality Act (2006) amended the requirements of the Equal Pay Act (1970) and the Sex Discrimination Act (1975).

### **Statement/Principles**

This policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes for all protected groups of pupils in school, ensuring there is equality of access and celebrating and valuing the heritage and strengths within the school community.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At Carlton Colville Primary School, equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other protected group recognised area of discrimination.

### **Monitoring and Review**

The person on the staff responsible for co-ordinating the monitoring and evaluation is Mrs Carol Child - Headteacher. She will be responsible for:

- Providing updates on equalities legislation and the school's responsibilities in this regard;

# Equalities Policy

  - Pupils' progress and attainment
  - Learning and teaching
  - Behaviour discipline and exclusions
  - Attendance
  - Admissions
  - Incidents of prejudice related bullying and all forms of bullying
  - Parental involvement
  - Participation in extra-curricular and extended school activities
  - Staff recruitment and retention
  - Visits and visitors

- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality;
- The promotion of attitudes and values that challenge discriminatory behaviour and language;
- The use of non-stereotyped materials which reflect accurately a range of cultures, identities and lifestyles.

## **Promoting Equality: Achievement**

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability, social background and sexual orientation. To secure the best possible outcomes we recognise that:

- Adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- It is important to identify the particular needs of individuals and groups within the school and to use targeted interventions to narrow gaps in achievement;
- It is important to place a high priority on the provision for special educational needs and disability;
- A range of teaching methods need to be used throughout the school to ensure that effective learning takes place at all stages for all pupils and that to promote pupil engagement pupils are encouraged to be actively involved in their own learning.

## **Promoting Equality: Ethos and Atmosphere**

- At Carlton Colville Primary School, we are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community;
- There should be a feeling of openness and tolerance which welcomes everyone to the school;
- The children are encouraged to greet visitors to the school with friendliness and respect;
- The displays around the school are of a high quality and reflect diversity across all aspects of equality and are frequently monitored;
- Reasonable adjustments will be made to ensure access for pupils and visitors (including parents) with disabilities;
- Provision is made to cater for the cultural, moral and spiritual needs of all children through planning of both assemblies, classroom based and off site activities;

# Equalities Policy

- Pupils are given an effective voice, for example through the School Council and through pupil perception surveys which regularly seek their views;
- Positive role models are used throughout the school to ensure that protected groups of pupils can see themselves reflected in the school community.

- The school has a clear, agreed procedure for dealing with prejudice related bullying incidents and has a nominated member of staff responsible for recording and monitoring incidents;

## **Promoting Equality: Partnerships with Parents/Carers and the Wider Community**

Carlton Colville Primary School aims to work in partnership with parents/carers. We:

- Take action to ensure parents/carers from all backgrounds are encouraged to participate in the full life of the school;

- Encourage members of the local community to join in school activities and celebrations;
- Ensure that the parents/carers of newly arrived pupils e.g. EAL, Traveller or pupils with disabilities are made to feel welcome.

## **Promoting Equality: Community Cohesion**

By 'community cohesion' we mean working towards a society in which:

- There is a common vision and sense of belonging by all communities
- The diversity of people's backgrounds and circumstances is appreciated and valued
- Similar life opportunities are available to all
- Strong and positive relationships are created and continue to be developed in all areas such as the workplace, in schools and in the wider community.

We aim to promote positive community cohesion and teach our children to understand the following:

- Be aware of the school values which are related to a tolerant society
- Be aware of who they are and be able to express their own identity
- Be able to respect different view points
- Be able to learn about cultural and religious diversity
- Be able to meet different and diverse groups of people
- Be aware of their own community, the wider UK community and global communities
