

"What we learn with pleasure we never forget"

Carlton Colville Primary School –Medium Term Planning

Year 6 Autumn Term 2 2017/18

<p>Sparkling start WWII Day: Evacuation, making paperchains and posters, gardening, letter home, learn a wartime rouser and plan Anderson shelters.</p>	<h2 style="color: red; margin: 0;">"We'll Meet Again"</h2>	<p>Fabulous finish Flixton Aviation Museum Post-War Dance (Christmas Party)</p>	
Big Ideas	<p>As scientists we will be investigating electricity including: learning about electrical insulators and conductors, exploring the effects of adding more components or cells, and using recognised symbols for circuit components in simple diagrams. Children will have the opportunity to wire model Anderson shelters that they have created as part of their home-learning challenge, including creating their own switches.</p> <p>As historians we will be examining local sources to gain an understanding of childhood in Lowestoft in World War II.</p> <p>As geographers we will be mapping and learning about local airfields before our trip to Flixton Aviation Museum.</p> <p>As designers and technicians we will be cooking some ration recipes, and wiring our model Anderson shelters with lights, buzzers and switches.</p> <p>As artists we will create WWII prints in the style of Eric Ravilious.</p> <p>As computer experts we will create a coding programme that converts morse code to text and vice versa.</p>	<p>As readers we will be reading "Warboy" by Michael Foreman, discussing the power of autobiography as a historical source, as well as Foreman's style.</p> <p>As mathematicians we will be looking at weights and measures for rations.</p> <p>As writers we will create an information text about life on the Home Front in World War II, and a story about Wartime Christmas.</p> <p>As computer technicians we will create a Morse code machine using Scratch.</p> <p>As musicians we will use a range of traditional songs and wartime rousers: wartime karaoke!</p> <p>As linguists we will learn about the culture and life in France through songs and stories. We will learn to speak, read and write the language through games and activities and whole school language days.</p> <p>As online safety experts we will advise others how to act online, using the Spiderman motto, "With great power comes great responsibility."</p> <p>Home-learning Challenges: Creating a model Anderson shelter and ration cooking.</p>	
Further opportunities	Readers: Writers: Communication: Mathematicians:	WWII Information texts. Explanation and report-style writing through science, history and geography. Storytelling Schools opportunities to Hear, Map, Step and Speak 2 texts during this half term. Weights and measures during ration cooking.	
Curriculum Drivers	<p>Possibilities Exploring the concept that it is possible to achieve despite limitations, such as rations and war difficulties</p>	<p>Communities Understand Lowestoft's role in WWII.</p>	<p>Knowledge of the World Know about causes and effect of WWII on the Home Front and how it affected celebrations of Christmas. Understand Lowestoft's role in WWII.</p>
Learning skills	<p style="color: blue;">Our children, as role models of independent learners, will select and apply the most suitable learning skills for their learning each lesson.</p>
